THESE four home-made rockets were among the lethal arsenal with which Real IRA nut Seamus McGrane planned to launch a massive terror attack during Prince Charles' 2015 visit to Ireland.

The dissident republican psycho, 63, who received a 'reference' from Fianna Fail TD Eamon O Cuiv, was yesterday jailed for more than 11 years for the plot. A source said of the thug: "His commitment to cause mayhem is now at an end."
